FOR IMMEDIATE RELEASE

### *Enrollment Forms and Renewal Invoices Due to Join Group Rating Program*

Savings quotes and enrollment packets from our workers' compensation group rating partner, **CareWorks Consultants Inc., (CCI)** were recently sent to newly qualifying applicants. Qualifying companies should return these forms with payment immediately to CareWorks Consultants to ensure enrollment in their 2010-2011 group rating program. **The deadline for receipt of enrollment forms is February 24, 2010.**

Companies currently enrolled in a group rating program administered by CareWorks Consultants will not receive an enrollment packet. As in the past, renewing companies will only receive an invoice from CareWorks Consultants. We do ask that you pay your forthcoming renewal invoice to CareWorks Consultants upon receipt to ensure your enrollment in the program.

As a reminder to all customers, CCI recently changed its company name. Effective May 11, 2009, the new company name is CareWorks Consultants, Inc. (CCI). Please note that only the name has changed. The corporate entity, tax identification number and all phone, fax and email contact information remain the same.

We are urging you to submit your paperwork and payment to enroll in the group rating program now. Please don't leave money on the table. Failure to return the enrollment forms by the deadline will prevent you from saving on your workers' compensation premiums.

If you have any questions about your enrollment, please contact our partners, CareWorks Consultants, toll-free at 1-800-837-3200.
